## CLONAKILLA VERTICAL SELECTION

# Clonakilla

Dr John Kirk first planted the Clonakilla vines in the Canberra region in 1971. The winery took a new path twenty years on in 1991 after his son Tim visited Côte Rôtie in the northern Rhone Valley and was inspired by how Viognier was being co-fermented with Shiraz. The Viognier was used to lift the Shiraz, making it more fragrant and slightly softer. Tim returned to Clonakilla, bitten by the wine bug, and had the vision for the now famous Clonakilla Shiraz Viognier blend. Their first vintage was in 1992 and in subsequent years has gone on to be lauded as one of Australia's finest wines and Clonakilla one of Australia's finest wineries. It was recognised at the Outstanding level of the Langton's Classification of Australian Wine in 2005, and was elevated to the highest level of Exceptional in 2010. We have scoured the country to collect meticulously cellared vintages of this world class local wine and from our cellar we are proud to offer you the following wines.

Tim Kirks love for the wines of Northern Rhone extends beyond those of Cote Rotie. Inspired by the wines of Hermitage, Tim created the first Clonakilla Syrah in 2006. The fruit is sourced from the T&L Block with a North Eastern aspect. Showing greater richness and deeper fruit concentration whilst maintaining the aromatic intensity made famous by the Shiraz Viognier, Clonakilla Syrah is produced only in excellent vintages and made in tiny quantities.
